

Semi Finished Seat Track Segment

Interturbine are now providing the full range of services to meet customers demand for seat track repairs.

- Raw material sections cut to requested length
- Machining of mounting seat holes (notches) according to SRM or customer specification
- Surface treatment (anodizing & painting) of final machined seat track segment
- Delivery of prepared seat tracks including seat track cover if required

Raw Material Extrusion		Seat Track Segment Semi-finished (SFS-D)		Seat Track Segment Semi-finished (SFS-DAP)		
						
T-Profile Aluminium		Extrusion including: - Drilling / milling notches according to SRM		Extrusion including: - Drilling notches - Anodizing surface - Painting surface according to SRM

* Length 6.0 meter, customized length available on request

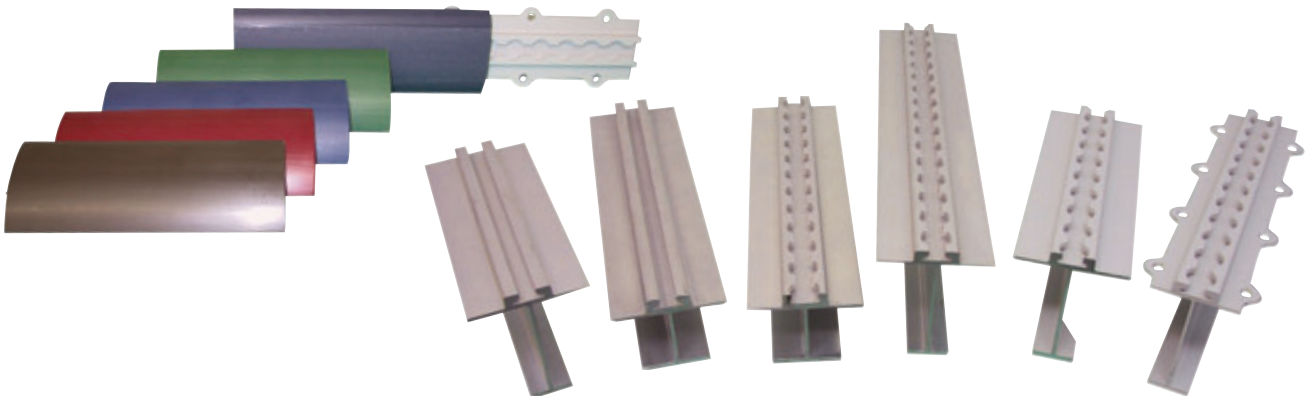

SFS-DAP: (SFS) semi finished seat track segment, including

- (D) Drilled seat mounting holes (notches)
- (A) Anodized complete surfaces
- (P) Painted complete surfaces

Customer benefits:

- Savings in costs through cut-out process in accordance with the Airbus structural repair manual (SRM)
- No scrap, as we can customize lengths of semi finished seat tracks to individual requirements
- No minimum order quantity as we will supply the lengths you need
- Savings in cost and time for internal machining and surface treatments
- Savings in storage space as it reduces the need to hold large stocks
- Savings in purchasing of raw material
- Reduced lead times / reduced aircraft down time
- Full AOG support for finished or semi finished repair spares
- Full support with Heavy Maintenance through Interturbines network of regional warehouses

Consumable materials for cut-out edges area are available on request:

Surface pre-treatment: Alodine-1200,
Article no. 121980 ITL

Wash primer: Metaflex FCR
Article no. 106945 ITL

Polyurethane primer: Aerodur Primer S15/90,
Article no. 102263 ITL
or
Aerodur Primer 37035A,
Article no. 106483 ITL

Top coat grey: Aerodur Finish C21/100,
Article no. 105758 ITL

Aerodur Finish C21/100 BAC707,
Article no. 104767 ITL

Sealant-brush: PR-1422, Article no. 107632 ITL

Availability: **24/7 AOG Service Support**
