

Laminates & Non-Textile Flooring for Aircraft Interiors

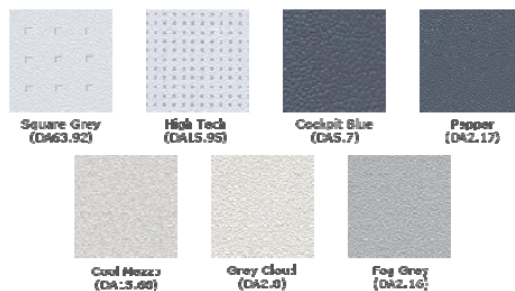

AerFilm LHR and AerMat 9000

Schneller's **AerFilm LHR** is the original low heat release, low-smoke and low-toxic gas, thin-film decorative laminate. AerFilm LHR is lightweight and economical, while providing superior texture retention and stain resistance.

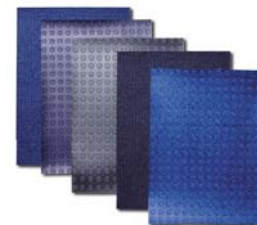

The product is available in heat activated or pressure sensitive adhesive to provide the customers with the ultimate flexibility when managing the repair of both flat and 3 dimensional surfaces.

Interturbine Aviation Logistics stocks the most common **Airbus** Cool colours: Fog Grey, Grey Cloud, Cockpit Blue, Pepper, Cool Mezzo, HighTech, or Square Grey designs in medium texture, **ATR** base line ASNA decors, **Bombardier** and **Embraer** ceilings and bins decors and some **Fokker** decors.

AerMat 9000 from Schneller is a flexible, durable utility floor covering that is easy to install, clean and maintain.

Interturbine Aviation Logistics stocks the classic Blue 8541 and Grey 992.

Interturbine Aviation Logistics GmbH is your **ONE STOP SOURCE** for the Schneller products, AerFilm and AerMat.

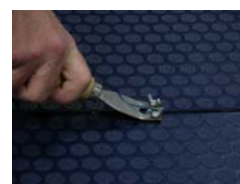

Quick Ship Program

In an effort to better serve the commercial aviation customers, Schneller has set up a Quick Ship Program. **Interturbine Aviation Logistics GmbH is the official Quick Ship Partner** for expedited delivery in small minimum order quantities of these standard Airbus and ATR laminates and flooring products.

For more information about the Quick Ship Products and the Program please visit the Schneller Web Site: http://www.schneller.com/quickship_airbus.asp

Value Added Services

In addition Interturbine Aviation Logistics GmbH also offers pre-cut sizes and seamed mats upon request.

For an overview of our product range please see pages 2 and 3.

Please contact your customer service representative for more information.
