

Press Release

Interstaff GmbH HR-Management: The ONE STOP SOURCE for recruiting and staffing

Kaltenkirchen / Germany, October 2008

Interturbine Group of Companies welcomes a new family member: Interstaff GmbH HR-Management (ISF) based in Kaltenkirchen / Germany. Interstaff GmbH HR-Management is a recruitment agency for companies in the aviation and aerospace industry.

With the foundation of the new company Interturbine Group of Companies followed Lufthansa's and Airbus' examples who also set up their own recruitment agencies.

Predominantly, Interstaff GmbH HR-Management is in charge of securing the fast growth of Interturbine Group of Companies. The expert for broad personnel services takes care of recruiting the right employees and resourcing every part of the global Group of Companies with talented and qualified personnel in a fast and unbureaucratical way.

A pool of employees to cover manpower requirements on short notice will be created to guarantee a higher flexibility and to balance cyclical variations in Germany and worldwide.

Interstaff GmbH HR-Management can be considered as an organization to foster and coach future executives for the Interturbine Group of Companies. Employees will be trained, qualified and prepared to – for instance – manage an Interturbine office abroad.

Furthermore, Interstaff GmbH HR-Management supports companies in the aviation and aerospace industry by providing qualified and motivated specialists. These personnel services are offered worldwide.

When sending an employee abroad Interstaff GmbH will prepare the employee best possible and will help the employee getting along in the new environment. Interstaff GmbH provides intercultural trainings to teach the employee intercultural competence and behavioural skills as well as helps finding an apartment and dealing with bureaucratic tasks.

Interstaff GmbH HR-Management is a valuable enrichment of Interturbine Group of Companies. The new company enables Interturbine to grow in a fast and flexible way and to qualify employees best possible.
